1. Retzow airfield, as recently as on 17 June occupied by about 300 men and about 20 MIG-15's, allegedly from Wittstock, was found empty on 25 June. There had been little air activity, reportedly because no runway mats had been laid, and take-offs and landings were difficult.

2. Local residents have stated that the field would be reoccupied after 1 July.

Comment: The airfield was probably used by units of the fighter division at Laerz for temporary exercises.
